The Blue Mountains Woodturners were invited to attend the Hawkesbury Woodcraft Centre on Saturday 14th May for a Workshop presentation by Norglas . 6 of our members accepted the invitation, attended the event and enjoyed the company of like minded people who enjoy creative wood craft activities. We also enjoyed the BBQ lunch as an intermission. The presenters from Norglas are interested in creating a contact with the Blue Mountains Woodturners and perhaps forming a relationship with us in the form of some sort of sponsorship and providing workshops at our functions to the future. All a matter of us being aware and pursuing the possibilities. A great day with thanks to Clive for his investigations and thanks for the support from our members towards the success of the day.
